

RARE GAME *experience*

The Kingdom Resort is the proud home to
some of the world's rarest antelope.

BE ONE OF THE FIRST

to see these majestic yet elusive creatures in their natural habitat.

The Rare Game Experience can be enjoyed with our
expert rangers either on our dedicated safari vehicle
or by conquering the terrain on quad bikes.

Both these experiences include a visit to our Tiny Tots
enclosure where you can see the rarely seen smaller
antelope species as well as having some fun
at the Animal Olympics activity area.

in a lifetime experience!
